Dear Board of County Commissioners:

As I stated to you at the August 20, 2024 meeting, I regretfully am submitting my formal resignation as the Chaffee County Attorney. For six years I have had the privilege to serve Chaffee County and its citizens; in that time frame I've worked with some truly outstanding and caring individuals. While I enjoy the work, changes in the work culture have caused me to reflect on my priorities and beliefs. Based on that reflection, I believe it is in both of our best interests that I resign and as we agreed, my resignation will be effective today. Thank you.

Sincerely,

Daniel Tom
