

## URGENT

Democracy is under attack throughout the country and yes, even in Chaffee County. Voter suppression and redistricting will favor the GOP. The Chaffee County Democrats need all hands on deck. You **CAN** help and in fact you **MUST** help to ensure a thriving future. **Here's what you can do:**

**VOTE:** Local elections for County Commissioner, County Clerk, County Coroner, Treasurer, Assessor and County Sheriff are coming in 2022—we need Democrats to fill those seats.

Election goals:

- Replace Granzella with a Democrat on the County Commission
- Re-elect Lori Mitchell for County Clerk and Jeff Graf for Coroner

**DONATE**—We financially support progressive candidates like Mitchell and Graff. They speak for you and like all Democrats, they promote platforms like Build Back Better, the Child Tax Credit and Infrastructure (YES, the Democrats actually held Infrastructure week). Please become a Century Club member at \$100.00.

- Send your check to Chaffee County Democrats PO Box 423 Salida, CO 81201
- Donate using the PayPal or Act Blue button at [chaffeecountydemocrats.org](http://chaffeecountydemocrats.org)

**VOLUNTEER**— We need your help for the Democratic Caucus and Assembly on Saturday, March 5, 2022; for the midterm elections in November, and on every day in between to advance our agenda for the working people of Colorado and the country.

- Click the “Contact Us” tab at [chaffeecountydemocrats.org](http://chaffeecountydemocrats.org) to volunteer
- Consider becoming a precinct leader for the Chaffee County Democrats

**FIGHT BACK**— January 6th was just a test. Chaffee County has militias, and they need to be called out. Our own Chaffee County Clerk, Lori Mitchell, has been threatened and stalked by right-wing extremists.

**DEFEND**—The Chaffee County Democrats fought hard to ensure that the Buena Vista and Salida school districts were not overrun by extreme candidates whose agendas included banning books and pressuring teachers with cameras in the classroom.

**DEMONSTRATED POLICY**—Democrats are passing legislation that helps working families and not the ultra wealthy. Democrats' policies are based on issues that are critical to Chaffee County and its future.

**COVID**—It's **STILL** a pandemic. Democrats support vaccinating and testing; we trust the science. With a new variant emerging, there remains much work to do. Conquering this virus is necessary to move our economy forward.

We really can't wait. Please donate generously financially and with your time. Please ask your friends to donate generously. Please help the Chaffee County Democrats elect the candidates that speak for you.

**THANK YOU FROM CHAFFEE COUNTY DEMOCRATS EXECUTIVE COMMITTEE**
